

Applicant Eligibility

Acceptable applicants must be low-income, defined as up to 200% of poverty level income, confirmed by HRDC as part of our applicant screening process. They also must be Belgrade, Bozeman, Four Corners or Gallatin Gateway homeowners and live in the home. Owners of mobile and modular homes qualify. While preference will be given to elderly or disabled homeowners, all low-income homeowners are eligible.

Application Instructions

For applicants with internet access, it is recommended that application information be submitted on our secure website, fixupfestival.com. All others should complete the application on the other side of this page and mail it to the address shown below to apply. Applications must be submitted by April 1st of the Event Year.

What is the Fix-Up Festival?

Bozeman Sunrise Rotary Club's Fix-Up Festival brings together local businesses, non-profit service organizations and individual volunteers to repair and rehabilitate homes of low-income, elderly or disabled homeowners who are physically or financially unable to do the work alone. Homes are selected through our application process to receive this free help from our Fix-Up Festival volunteers, adopting organizations and sponsors.

What repairs can be done?

Fix-Up Festival projects can include repairs and renovations possible within the scope of one day by approximately eight volunteers. Typical projects could include carpentry, deck repairs or replacements, minor plumbing and minor electrical repairs, plastering and painting, weatherization, minor roof and gutter repairs, yard cleanup and trash removal, and installation of wheelchair ramps, railings and grab bars.

How are homes selected?

After initial applicant eligibility screening through HRDC, homeowners will be visited by two Applicant Screeners to assess requested repairs. They will select homes based on our ability to complete the requested repairs with the volunteer skills, budget, and time we have available. Selection preference is given to elderly and disabled applicants.
